

SALISBURY, NC – Twenty of sports media’s best sportscasters and sportswriters comprise the list of finalists for the National Sports Media Association’s 2016 Hall of Fame class. Those making their first appearance on the final ballot are sportscasters James Brown, Linda Cohn, Frank Gifford, Bryant Gumbel and Greg Gumbel, along with sportswriters Ira Berkow, Mike Lupica and Claire Smith.

The NSMA’s Board of Directors and Hall of Fame committee members shaped the list of finalists, which included several who were on last year’s ballot.

NSMA members will receive an emailed ballot on December 1 and have until December 31 to vote.

Below is the complete list of Hall of Famers, National and State award nominees who will appear on the final ballot.
